He attended the public schools in Malden, Mass., and Brown University in Providence, R. I. where he prepared for the legal profession which he did not practice, as he became interested in the management and sale of real estate and financial affairs to which he devoted his business life.

He became earnestly and actively interested in all branches of Freemasonry and received the degrees and membership in Joseph Warren Lodge A F & A M, St. Andrews R. A. Chapter, Boston Council R. & S. M, Boston Commandery #2, K. T. Boston Lafayette Lodge of Perfection, Giles F. Yates Council Princes of Jerusalem, Mount Olivet Chapter of Rose Croix, and Massachusetts Consistory.

He was Worshipful Master of Joseph Warren Lodge in 1915. He was Thrice Illustrious Master of Boston Council, 1899, Deputy Grand Master of the Grand Council R & S M of Massachusetts, 1902, Eminent Commander of Boston Commandery, 1902-1904 and Commander-in-chief of Massachusetts, 1904-5-6. On September 18, 1906, he was crowned a Sovereign Grand Inspector General of the 33rd and last degree. Con

His interest in and devotion to Masonry continued until his death, but for some years his failing health prevented active participation in its affairs.

He was a strong type of manhood, of decided opinions, uncompromising in standing for what he believed to be right, a firm and steadfast friend to those who gained his friendship.

His widow, who was Miss Bertha Young of Scituate Harbor, survives him, and to her we express our sincere sympathy and the hope that Divine aid may come to her in her affliction.

"And here, at last, is sleep, the gift of gifts,
 The tender nurse, who lifts
 The soul grown weary of the waiting world
 And lays it, with its thoughts all furled,
 Its fears forgotten, and its passions still,
 On the deep bosom of the Eternal Will."

Special Conclave

The Commandery was opened on Saturday, April 8th at 12 o'clock noon, on the Order of the Temple, Eminent Commander Frederick H. Briggs presided in the chair. Those present were as follows:-

Em. Sir Frederick H. Briggs	Commander
Sir Knight George T. Wiley	Generalissimo

Sir Knight Joseph W. Work	Recorder
Sir Knight William P. Bullard	Junior Warder
Sir Knight Robert G. Wilson	Warder

Sir Josiah T. Dyer

Sir Knight Charles A. Watts	

The prayer was offered by Prelate Emeritus, Warren B. Ellis. The Commandery was opened for the purpose of attending the Conclave at New Orleans for the purpose of working the Orders of Red Cross, Malta and Temple on the high seas. The lines were formed under the direction of the Captain General, and the start for New Orleans was made. The party assembled at 9 o'clock Monday morning, April 10th at the Summer Street Terminal of the New York, New Haven & Hartford R R where they embarked in a special car for New York. Upon arrival at New York at the Pennsylvania Station, the party was transferred to Pier 67 where a river steamer was taken to Pier 1, Hoboken, where the party proceeded to the steamer Cristobal which was beautifully decorated with flags, at the fore peak flying the Beauseant. At the dock were the Vice-President of the Panama Steamship Co., and other Officers to see the party off. The Cristobal at once proceeded to sea with the following Officers:

Captain Skillings
 1st Mate
 2nd Mate
 3rd Mate

The Cristobal sailed at 5:45 P. M., immediately proceeding to sea.

At dinner that night the announcement was made that at luncheon and dinner each day the blessing would be given before each meal and this was carried out throughout the entire trip.

The following days were pleasantly passed on board the steamer, dancing and games enlivening the time. Too much cannot be said of the orchestra which furnished beautiful music on the trip. Two of the men in the orchestra were from Sousa's Band and one from the Symphony Orchestra.

On Friday morning the Island of San Salvador was sighted, which was the first land sighted by Columbus. While passing the Island the event was celebrated by an egg breaking contest, an episode which Columbus has made famous. That night, being Good Friday night, the Southern Cross came to view through the forward rigging of the ship. It seemed especially appropriate that this brightest constellation should be sighted on Friday night.

Saturday was spent in skirting the Island of Cuba, and early Sunday morning the ship Jamaica was sighted. The Cristobal was docked at 9 A. M. Easter Sunday and a delegation, including the Commander, attended Divine Services in the English Church at Jamaica where special consideration was shown to the entire party. The remainder of the day was spent in sight seeing over this mountainous Island, lunch being taken by most of the party at the Myrtlebank Hotel,

The ship sailed from Jamaica at 5 P. M., immediately taking the trade winds across the Carribean Sea for Cristobal. The day before reaching Cristobal, Eminent Sir Bliss, Chariman of the Committee for our Entertainment, opened wireless communication with the ship during which exchange the Canal Zone requested that all of the arrangements made by Raymond & Whitcomb Company be cancelled, and their arrangements for entertainment accepted, which continued until the ship finally arrived at Cristobal where the Pilot was taken aboard and also Em. Sir Bliss. With the Port Doctor also came on board another delegation from the Canal Zone Commandery #1, and also a representative from the Government who presented to the Commandery the freedom of the Port. This was a very significant act as it had never been presented to any person or body except diplomats, to whom this courtesy is always extended. Immediately the ship was docked, the members of the Canal Zone came on board with their ladies, and extended the courtesies of the Zone to the Commandery and their members, and the entire party were then taken by automobiles and driven around Cristobal and Colon on a sight seeing trip. That evening Commander French and the officers of the Canal Zone Commandery #1 entertained the members and ladies of Boston Commandery at a banquet at the Hotel Washington, after which they attended a reception at which were present not only the Templars and ladies, but also Masons and the Governor of Colon, Excellency Arosemena, a true Spanish gentlemen with all the courtesy

and breeding that Spain represents, Commander French was also host of other occasions which followed. The next morning the entire party were taken by automobiles and driven to the Gatun Locks where the mystery of the Canal was explained and operated for their benefit. A special train was then taken to the dam and spillway which was operated for our party. This was the most beautiful and gorgeous sight seen on the entire trip. The steamer Gold Star was next taken for a trip through the Lake and Culebra Cut. It is worthy of note that Captain Wallace of the Gold Star is a member of St. John's Lodge of Boston. The emergency dam was operated for the party. This dam is one that is to be used only in case the locks give way, when the water is held back in the lakes so that the canal may not be destroyed. Many of the men who have been in the Canal Zone for 10 and 12 years have never seen this in operation. In this place a picture was taken of the party with the dam swung across ~~the swung across~~ the locks cutting off the water. From there the entire party were taken in automobiles to Balboa where they were entertained at the Tivoli Hotel. The Commander paid his respects to Governor Morrill in the Government building while the rest of the party enjoyed luncheon. The afternoon was spent by the party in sight seeing around Balboa, Panama, and adjoining places. That evening Boston Commandery entertained the Officer of Panama Commandery, also the District Grand Master, Sir Knight Ralph Osborn, and the Deputy of the Supreme Council of the 33rd Southern jurisdiction, Sir Knight William W. Jones, at a Banquet at the Country Club in Panama. Mrs. Briggs entertained the Ladies of the Panama Canal Zone Commandery at the Hotel Tivoli.

The next morning the party was taken to the fortifications at the entrance from the Pacific. These fortifications are on a mountain. The entrance is through a tunnel which leads through the mountain where an elevator is taken to the top. Here the guns and other fortifications are kept. On returning the party went immediately to the dock where they boarded the Cristobal. Cheers were given and courtesies extended and the Cristobal sailed at 12:15 for New Orleans after one of the most enjoyable visits ever paid by any Commandery to a sister Commandery.

Lines were formed aboard ship at 8:30 headed by a band with our banners and Colors, being carried by stewards from the steamer who were dressed in white. We marched, some ninety men to the Lee Monument where Em Sir Briggs placed a very beautiful wreath, which the Commandery brought from Boston for that purpose, saying "General Lee, we of the North salute you, the great soldier of the South".

From the Monument we fell in line for the parade which started at 10:30 A. M. passing the Grand Stand at 1 o'clock P. M. At 1:15 o'clock P. M. Lines were dismissed. On board steamer at 4 P. Letter from President Warren G. Harding

The White House
Washington, D. C.

June 15, 1922

My dear Commander Briggs:

Senator Lodge has conveyed to me the contents of your letter to him written under date of June 9th. I have already wired to Mr. Foss the impossibility of my coming to Boston for the Annual Commencement at

Harvard. Under these circumstances it will be impossible of course, to be present at the proposed inspection of the Grand Commandery. I should like you to know that it would be a very great pleasure to me to meet and greet the Knights Templars of Boston Commandery and the Metropolitan District, but I do not see how such an engagement is going to be possible in the immediate future. The unavoidable delay of many difficult problems under consideration by the Congress has made it necessary for me to modify my plans for the summer period immediately before us, and I can not be certain about any travel engagements at the present time. I regret the impossibility of my witnessing the inspection of Boston Commandery, but shall not wholly put aside the hope of some day having that very great satisfaction. I have said that substance of the above to Senator Lodge, who has been more than an enthusiastic Knight in presenting to me the attractiveness of such a meeting, and impressing upon me the desirability of knowing the membership of Boston Commandery.

Very truly yours,

Warren G. Harding

Commander Frederick H. Briggs
18 Boylston st., Boston, Mass.

Commander Briggs called upon R. Em. Sir Henry C. Dexter who complimented the Officers and Sir Knights for their appearance and excellent work, and expressed his pleasure in having an opportunity to inspect Boston Commandery and meet the Officers and Sir Knights.

Jewett Grand Captain General of the Grand Commandery of Massachusetts & Rhode Island acted in his stead, and after complimenting the Commandery in regard to the work announced that the marks for the Commandery would be 90- .

Retiring Suite

R. Em. Sir Henry C. Dexter having finished the inspection of the Commandery announced to the Commander that he and his suite would retire. The same Committee was appointed to escort Grand Commander Dexter and his suite to the *ante Room* apartments.

Report of the Finance Committee of Boston Commandery

Boston, September 20, 1922

Your Finance Committee have examined the accounts of the Commandery and find that the Treasurer has received during the year \$29704.90. He has paid out for the running of the Commandery \$23304.06; for 10% of the receipts, which by the By-Laws must be paid into the Permanent Fund, \$1523.34; for Life Membership, \$1200.00; making the total disbursements \$26027.40, leaving a balance in the treasury of \$3677.50.

The Samuel C Lawrence Charity Fund totals \$5137.64. The General Charity Fund Totals \$12850.48 and the Permanent Fund totals \$90338.70, making the total assets in money & Sec. \$112004.32

They also find that there is a large amount of dues still in arrears, undoubtedly due to the extremely hard times which have existed during the year. The Recorder is making every effort to collect these back dues and will no doubt collect a large part of them. It has been the policy of the Council in the past to cancel the dues of such members as are infirm and unable to meet their obligations. Such policy is and will be continued by the present council.

5708.13

We have at the present time 285 Life Members, 990 paying members, 9 honorary members, and 7 Life and Honorary members, making a total of 1291.

The income from the Charity Fund has been expended in practically its entirety for the charity of the Commandery. The income from the Permanent Fund, \$3271.89, has been turned over for the general use of the Commandery. It is a matter of much interest to notice that all Life Memberships are paid into the permanent Fund, the income from these being paid back to the Commandery. Although we have only 285 Life Members, we get as much income from the Permanent Fund as we would had we ~~would had we~~ 500 additional paying members. In other words, the permanent fund gives us the benefit of what would be 500 members without any additional expense to the Commandery. It is undoubtedly a fact that if we did not have this permanent fund it would be necessary to make a very drastic advance in dues. Probably our dues would have to be advanced to between \$12.00 and \$15.00 per year if we did not have the income which we annually derive from this permanent fund.

The finance committee would like to call your attention to the fact that at the Triennial Conclave at New Orleans it was voted to tax every Knight Templar \$1.00 per year for educational purposes. This tax will probably be levied on us sometime within a year and it will be necessary for us to provide means for meeting it.

Your finance committee would also like to call your attention to the fact that the dues of Boston Commandery are considerably lower than those of other sister Commanderies in the Temple. The dues of one of our sister Commanderies is \$25.00 a year. Another is charging \$10.00 per year and has this year put on an additional assessment of \$15.00 per member to be paid in two yearly installments of \$7.50 per year, making the dues \$17.50 p r year which is compared with \$8.00 a year charged by Boston Commandery. Should the number of candidates be materially reduced to the numbers which were taken in yearly a few years ago, it would be impossible for the Commandery to meet its expenses on the present dues, provided, of course, that the expenses run as much as they have been running for the past few years. The discrepancy between our charges and those of our sister Commanderies is so great that the Finance Committee want to call your special attention and careful consideration to our future financiering.

During the year we have had the usual tem meetings at which dinners have been provided. As has been the custom in the past, these dinners have been provided at a loss to the Commandery, the charge being much less than the Commandery has been charged by the caterers.

Your committee also wishes to report that the Commandery this year has held a barbecue, a Templar Ball, has carried

their banners and visited three foreign countries, namely, the English Island of Jamaica, the Republic of Panama, and the Republic of Cuba. They have also visited the Isthmus of Panama and the Triennial Conclave at New Orleans at all of which places the high standard and reputation of the Commandery has been upheld in a dignified manner. They have also made Templar history for they have not only conferred the Order of the Temple on the high seas for the first time that it has ever been conferred on the high seas in history, but they have also conferred the Order of Red Cross and the Order of Malta for the first time they have ever been conferred upon the high seas. They have produced the Passion in its entirety at a regular meeting, and have also held a series of three Commandery dances, and celebrated St John's Day with an Outing. They have entertained at their meetings the Masonic Club of Boston, the members of the Legislature of Massachusetts who were Templars, and many other distinguished officers of the Order. They were officially visited in New Orleans by the Most Eminent Grand Master of Knights Templars of U. S. of America together with his entire suite of officers, including the present Most Eminent Grand Master of the U. S. of America. They have been received and entertained by Canal Zone Commandery #1, by Havana Commandery #1, under dispensation, and have been received and visited by Governors and high officials at these places.

The Annual Inspection of Boston Commandery was most successful. The Right Eminent Grand Commander of Massachusetts and Rhode Island specially honored the Commandery by himself acting as Inspecting Officer, something that no other Right Eminent Grand Commander has done since the present mode of inspection has been in vogue.

The Golf Team organized by your Commandery has won the blue ribbon of Commandery golf and is at present ready to defend it. In addition to this, the Boston Commandery Band has been organized and has added much to the pleasure of our meetings. The Commandery parlors and the officers rooms have also been refinished and redecorated.

The Committee wishes to call your attention to the extremely good work that has been by the officers, guards and members of Boston Commandery during this year. It is probably not known that Sir Knight Hall and Sir Knight Wood are giving up many days of hard and not over pleasant labor in preparing for the meetings of this Commandery and also cleaning up after the meetings are through. Sir Knight Hall gets no compensation whatever for his labors, nor does he desire any. Sir Knight Wood gets but a very meagre compensation and he gives back to the Commandery in one way or another as much and more than he receives. It is a labor of love with both of them, and your committee feel that you should know of the love and labor which these two men are very freely giving to us without any expectation or desire for adequate compensation other than what comes from duty well performed.

Respectfully submitted

Frederick H Briggs

In Memoriam

Right Eminent Sir Everett Chamberlain Benton, Past Grand Commander

Born in Guildhall, Vt., September 25, 1862. Died in Belmont, Mass., February 4, 1924.

Rt. Eminent Sir Benton was the son of Judge Charles E. and Adda Chamberlain Benton. His ancestors on both sides came from England previous to 1700, his four great grandfathers serving in the Revolutionary War.

In 1882 he came to Boston and secured a position in the insurance house of John C Paige, and on the death of the founder became a part of its organization.

During the years 1895, 1896 and 1897 he served as an aid on Governor Greenhalge's staff, with the rank of Colonel, and in 1898 was elected a member of the Executive Council.

For a number of years he was prominent in the affairs of the Republican party; for eleven years on the State Committee, three years being chairman of Executive Committee; delegate to three National Conventions; and in 1904 being a delegate-at-large. He was president of the Beacon Society and a member of the Metropolitan Park Commission.

He was the author of the "History of Guildhall", a valuable and authentic authority, supplying much of the early history of the country as well as the town.

In 1901, he erected and presented to his native town a Public Library and Masonic Hall.

He was vice-president and trustee of the Belmont Savings Bank, vice president of the Massachusetts Real Estate Exchange, and president and

director of the Northumberland Bridge Company.

He was a man who began life with only an opportunity, but who by indefatigable labor and industry built up a most successful business, being one who placed patriotism above partisanship; a wonderful man in his fraternal relations. He was a kindly and helpful neighbor, and one who had a deep sense of religion.

His burial was from the Park Street Church in Boston, the Rev Dr A. Z. Conrad, pastor of the Park Street Church, delivering a beautiful eulogy of the deceased.

Beautiful floral tributes banked the pulpit and covered the surrounding walls. The Masonic funeral rites were conducted by Most Worshipful Dudley H. Ferrell, Grand Master of the Grand Lodge of Massachusetts.

Representatives of the State and City officials, business associates and Masonic delegates crowded the church, together with the relations and intimate personal friends.

Besides his wife, Colonel Benton, leaves three sons; the Attorney General of Massachusetts, Charles E., and Josiah H., and three daughters, Mrs. Carl E. Lonerer, of Minneapolis, Minn., Mrs. Mrs Edward E Wood Jr., of Belmont and Miss Hannah Slade Benton.

His Masonic affiliations were as follows:

He was raised a Master Mason in Simon W Robinson Lodge at Lexington in 1895, became a member of Waltham R A Chapter in 1896; of Boston Council of Royal and Select Masters in 1901; and of St Bernard Commandery in 1902.

He received the degrees of the Aincient and Accepted Scottish Rite in 1895, and received the 33rd degree in 1902.

He presided over Boston Council Royal and Select Masters from October 1904, to October 1905, was Eminent Commander of St Bernard Commandery in 1906, and Deputy Grand Master of the Grand Lodge of Massachusetts in 1906, and was Grand Master in 1912 and 1913. He was elected Commander-in-chief of Massachusetts Consistory in December 1906, for a term of three years.

He served this Grand Commandery as Grand Captain of the Guards in 1911; Grand Sword Bearer in 1912; Grand Junior Warden, 1914; Grand Senior Warden, 1915; Grand Captain General, 1916; Grand Generalissimo 1917; Deputy Grand Commander, 1918; and Grand Commander in 1919.

What here seems shadows, there will glow with light,
And all light's mysteries will stand revealed.

My brothers, it is good to live-to feel
Within our coursing veins the fire of life.
But better still to die, if, when we go,
In farmhouse, miner's hut and city street,
Men speak our names in praise, because we strove
Not for yourselves but for our fellow men.
And he who lived, think not of him as gone,
But rather that his spirit lives and moves
Among us yet, still urging us to strive

For high achievements, for the regnant life,
That comes to him who toils. In years to come,
More lasting than the deeply graven stone
Upreared above the portals of the pile
That, rising heavenward, his labor marks,
Will be the influence of his strong life
That strove for right, that yielded not to wrong.

It is hereby ordered that this memorial be read at the head of each Commandery under our jurisdiction at the next Conclave after its receipt, and that the altars, banners, and jewels be draped in mourning for the space of thirty days.

Given under my hand and the seal of the Grand Commandery of Massachusetts and Rhode Island this twenty-ninth day of February, 1924, A. O. 806.

Letters

To the Officers and Members of Boston Commandery, # 2. Knights Templars;

Dear Sir Knights:-

The welfare of Boston Commandery was always dear to the heart of its Past Commander Samuel Crocker Lawrence.

His affectionate regard for the Commandery he manifested by acts of kindness and generosity in life, and at his death; therefore it seems appropriate that the Commandery should have as a souvenir in its Armory the bronze Knight Templar Vase specially made and presented to him by the Officers and Members of the Grand Commandery of Knights Templars of Massachusetts and Rhode Island in token of appreciation of his services as their Grand Commander in making a notable success of the Triennial Conclave and Parade, held in Boston in 1895. In this parade Boston Commandery took a conspicuous and highly creditable part.

We, the surviving members of his family, therefore, tender to Boston Commandery for its acceptance this bronze memento.

With best wishes for your continues success and prosperity, we remain,

Respectfully yours

William B. Lawrence

Mr. William B. Lawrence,
Boston, Mass.,
Dear Em Sir:-

The very thoughtful letter of yourself and Mrs. Batchelder presenting the beautiful bronze vase formerly belonging to your father, General Samuel C. Lawrence, was read at the last Conclave of Boston Commandery, and I can assure you that it was very much appreciated.

By a unanimous vote of the Commandery the Recorder was instructed to express to you their hearty thanks for the beautiful remembrance of one who was so highly thought of by every member of the Commandery.

It will be placed in the parlor where every Sir Knight can examine it, and bring back to their memory the wonderful good deeds of kindness which was meted out by one who always had Boston Commandery's interest utmost in his thoughts.

I was also instructed to convey to you and Mrs. Batchelder the sincere thanks for naming Boston Commandery as custodian for the safe keeping of the vase that the General was so fond of.

Please accept my personal thanks for your favorable disposition of such an addition to our collection.

Courteously yours,

Joseph W Work

GENERAL ORDER No. 1. Series 1924-25.

OFFICE OF THE R. E. GRAND COMMANDER,
NEWTON CENTER, MASS., December 1, 1924.

To all Knights Templar within the Jurisdiction of the Grand Commandery:

The following sentiment has been prepared for the coming Christmas observance:

To Sir Leonidas Perry Newby, Most Eminent Grand Master:

On the occasion of this Christmas ceremonial, the last to be observed before the close of your official term as Grand Master, now nearing its end, the Hosts of Knights Templar of the United States of America are assembled throughout the Grand Jurisdiction to extend to you their grateful approval for valiant service rendered and their good wishes for the future.

The call of the day is to service — service to country, service to others, service to that cause in which one is specially charged with responsibility.

During your term as Grand Master you have given without stint of your time, your talent and your strength to the service of Knight Templarism, and the worth thereof is attested by the accomplishments which mark this triennial period.

Peace and harmony have prevailed in the ranks, and the spirit of Templar courtesy and patriotism has shown manifest enlargement, for which every true Knight is genuinely thankful.

Our membership has materially increased.

The ceremonial work, the asylum tactics, and the equipment of individual Sir Knights have all shown very decided improvement.

The Educational Movement of the Grand Encampment has been put into action, the results whereof promise to be far-reaching and vital.

And the great principle of our profession — unselfish service to the needy, the afflicted, the oppressed and the sorrowing — has received new impulse, and is being more broadly demonstrated than ever before in "deeds of charity and pure beneficence."

These attainments proclaim the success of your administration as Grand Master, and your Fraters of the Templar Knighthood extend their congratulations and express their sincere appreciation of the leadership and devotion which have realized these achievements; at the same time uniting in a fervent prayer that He who rules the destinies of nations and of men may grant to you, and to those near and dear to you, many years of health and strength, and an abundant measure of happiness.

The Grand Master sends the following response:

Dear Fraters:

The sentiments of good will and commendation expressed in your Christmas greeting move me profoundly, and gratefully do I acknowledge the courtesy and cordial message of approbation, encouragement and good cheer which comes to me on this glad Christmas Day as the perfume from a fragrant flower, growing out of the best there is in American citizenship.

The labor of an enthusiast in any cause is sweet, whether it be of the head, the heart, or the hand, but it is far sweeter to be assured that one's efforts have been appreciated and that his labors have met with approval.

It is a rare privilege and honor to be given the leadership of the Templar hosts — the purest and truest and noblest body of men on earth. If my administration has been attended by some degree of success, I rejoice. However, I fully realize that if the membership has been increased, the life enriched, the work broadened, the zeal intensified and the ideals exalted, it is due to the earnestness and loyal devotion of every Frater, and above all, for the reason our cause has received the Divine approval. God giveth the harvest. I view the progress of Templarism as one who from a vantage ground beholds Nature awakened to life and duty by the sunshine and showers of spring. Through our order of Christian Knighthood the Divine Being has been realizing His higher and holier purposes in the transformation of life.

We are enlisted in a spiritual and idealistic chivalry. Our aim is to make potent in the individual and communal life all the uplifting feelings and virtues that are or may be known to our civilization. This is a tremendous task. It can be accomplished only through thorough consecration and complete reliance upon Him through whom comes our strength.

The day which emphasizes Heaven's choicest gift to the children of men is approaching. The world will be animated with the spirit of joy and benevolence. May it be a season of refreshing and inspiration to all Knights Templar.

The fact that peace and harmony prevails throughout the world, that a spirit of courtesy and patriotic impulse is everywhere manifest, is proof of another fact that our Order is meeting the requirements of time. The field of Templar endeavor has been enlarged and the Order of the Temple in America is no longer living in the glory of the past, but is aroused to action by the call of the hour. It has redoubled its efforts in the care of orphans and in the education and training of young men and women, thereby placing humanity of the future upon a higher plane and pointing the way to better things and to a clearer conception of the Divine teachings of love and of the spirit of charity as taught upon Judea's Plains nearly two thousand years ago.

The Grand Master wills that the various Commanderies gather in their respective asylums on Christmas Day. In reverence and devotion may every heart be responsible to Divine influence.

"Freely ye have received, freely give," should be the dominant precept. May every Sir Knight highly resolve to walk uprightly, to think pure thoughts and know only the truth; to help the needy, the distressed, and do good to all men; to cherish the reputation of a brother as he would his own, and maintain justice and guard all human rights and liberties; to be diligent in every good word and work, that the Kingdom of Heaven may be established on earth. This is our aspiration. This is the flower of our Knighthood.

Courteously submitted,

LEONIDAS P. NEWBY,

Grand Master.

To Grand Commanders, and
Commanders of Subordinate Commanderies under the immediate jurisdiction of the Grand Encampment:

The foregoing toast to the Most Eminent Grand Master and his response thereto are transmitted to you with request that you extend an invitation, through the proper officers, to all Sir Knights within your jurisdiction to join in the sentiments expressed, on Thursday, December 25, 1924, at some convenient hour, preferably at noon, Eastern Standard Time (equivalent to 5 P.M. Greenwich).

Courteously and fraternally yours,

SAM P. COCHRAN, P. G. C.,

Committee on Christmas Observance.

Address of the Grand Master:

LEONIDAS P. NEWBY, Knightstown, Indiana.

It will be gratifying to the Grand Commander to have the Sir Knights of this jurisdiction, assembled in their asylums, their homes, or wherever they may be, join in the sentiment prepared by the committee, and in wishing the Grand Master a joyous and happy Christmas as a mark of their respect and love for the Grand Master.

This order will be borne upon the notice of the stated conclave next preceding December 25, A.D. 1924, A.O. 806, and be read at the head of each Commandery at said stated conclave.

Witness my hand and seal of the Grand Commandery of Knights Templars and the Appendant Orders of Massachusetts and Rhode Island, this first day of December, A.D. 1924, A.O. 806.

ASA C. JEWETT,
Grand Commander.

GENERAL ORDER No. 2. Series 1924-25.

OFFICE OF THE R.:E.: GRAND COMMANDER,
101 UNION STREET, NEWTON CENTER, MASS.

To all Knights Templar within the Jurisdiction of the Grand Commandery:

INSTRUCTIONS

1. Grand Officers attending the various functions, official or social, of the Grand Commandery, or subordinate Commanderies, shall appear in full Templar regalia unless otherwise ordered by the Grand Commander.
2. The inspection suite should consist of the following: Officers of the Grand Commandery of Knights Templars of Massachusetts and Rhode Island, Past Grand Commanders, Commanders of Commanderies in this jurisdiction, Generalissimos and Captain Generals; and Officers of other Grand Jurisdictions who may be in attendance and in regalia. All officers shall be in full Templar uniform.
3. Necessary traveling expenses of officers incurred while attending Inspections or performing such other duties as may be assigned to them by the Grand Commander shall be allowed.
4. Each officer shall render to the Grand Commander in duplicate his individual expense on official blank forms.
5. The Inspecting Officer will render the amount for himself, Grand Warder, and all Past Grand Commanders who may accompany him.
6. Division Commanders shall have general supervision over the Commanderies in their charge, and shall report conditions, etc., at frequent intervals to the Grand Commander.
7. In perfecting the Ritualistic and Tactical work of the Commandery, General Officers will follow the instructions issued by the Inspector Instructor or his Deputy.
8. Several group rehearsals will be held previous to the Inspections; after which any Commandery feeling that they need special instructions will communicate with the Grand Commander.
9. Candidates shall possess full regalia, including coat, before being knighted. No more than ten candidates shall have the Order of the Temple conferred on them at any one conclave. This order is made for the reason that every candidate is entitled to the full form work. In special circumstances the Grand Commander may grant an emergency dispensation.
It is suggested that instead of rehearsals a special conclave be called, and the work done at this special conclave.
10. Statutes of the Grand Encampment, Section 160, says: "The original or a working copy of the dispensation or charter of a Commandery must be present at the opening and throughout every conclave."
11. Commanders are requested to cause their Commanderies to be opened in full form at each regular conclave.
12. Commanders will cause to be sent to the Grand Commander, Deputy Grand Commander, Inspector Instructor, Deputy Inspector Instructor, and Grand Recorder all notices of all conclaves in their respective divisions.
13. Commanders and other elective officers of every Commandery are hereby reminded that it is an important and essential part of their official duty to thoroughly acquaint themselves with the Constitution, Statutes, and Rituals of the Grand Encampment, the Constitution, Laws, and Regulations of this Grand Jurisdiction, and the By-laws of their own Commandery. Inspecting Officers will strongly emphasize this duty and report any and every violation of Templar Law observed by them.
14. Commanders are requested to refer all requests of a minor nature requiring decisions to their Division Commander; he in turn, if necessary, will take the same up with the Grand Commander. As a Division

Commander is in closer touch with the workings of the different Commanderies in his division he is better able to judge of the necessities of some of the requests than the Grand Commander would be, particularly where they do not conflict with the Constitution and General Regulations; but the Division Commander shall make no original or first decision on any point.

15. Commanders are directed to cause to be sent to this office immediate information of the death of any Past Commander or Officer of their respective Commanderies, together with such a sketch of his Masonic History as can be obtained.

16. The Inspector Instructor, his Deputy, or whoever makes the mark, will give the mark to the Inspecting Officer, who will announce to the Commandery the mark made.

PROVIDENCE, R. I., September 1, 1925.

In Memoriam

Right Eminent Sir ASA CLARKE JEWETT
Grand Commander

To the Officers and Sir Knights of the Obedience of this Grand Commandery:

It is with sorrow that I have to announce the death of Right Eminent Sir Asa Clarke Jewett, who died July 23, 1925, at the Glacier National Park Hotel, in the State of Montana, while on his way to attend the Triennial Conclave of the Grand Encampment at Seattle.

He was born in Pepperell, Mass., March 20, 1860.

The record of his Masonic activities is as follows:

He was raised to a Master Mason in Dalhousie Lodge Nov. 2, 1881.

He was exalted in Newton Royal Arch Chapter February 2, 1884.

Greeted in Adoniram Council March 28, 1907.

Knighted in Gethsemane Commandery June 26, 1884, and was its Recorder from September 16, 1884, to the day of his death, excepting the years 1911 and 1912, when he was Commander, and 1924 and 1925, when he was Grand Commander of the Grand Commandery of Massachusetts and Rhode Island.

He received the Grades in the Ancient Accepted Scottish Rite in the Valley of Boston as follows:

Boston Lafayette Lodge of Perfection, 14th grade, April 6, 1888.

Giles F. Yates Council Princes of Jerusalem, 16th grade, April 13, 1888.

Mt. Olivet Chapter of Rose Croix, 18th grade, April 20, 1888.

Sublime Prince of the Royal Secret in Massachusetts Consistory, 32nd grade, April 20, 1888.

He also served this Grand Commandery, being appointed Sword Bearer in 1915 and elected Grand Junior Warden, Grand Senior Warden, Grand Captain General, Grand Generalissimo, Deputy Grand Commander and elected Grand Commander in October, 1924.

In every relation of life he was a just and upright man, his spirit of fidelity made him a useful citizen. As a business man, he succeeded because of his devotion to duty, his uncompromising integrity and his loyalty to every trust and the influence of his companionship was an inspiration. Never once in the manifest detail of little things in the level of every day life was he known to show signs of anything but the high-minded, just and self-sacrificing man and public-spirited citizen that he was.

*"Now the laborer's task is o'er;
Now the battle day is past;
Now upon the farther shore
Lands the voyager at last.
Father, in Thy gracious keeping
Leave we now Thy servant sleeping.*

*There the tears of earth are dried;
There its hidden things are clear;
There the work of life is tried
By a juster Judge than here.
Father, in Thy gracious keeping
Leave we now Thy servant sleeping."*

It is hereby directed that the Banner, Jewels and Altars of the Commanderies be draped in mourning for the period of ninety days, and that this General Order be read at the head of each Commandery of the Order at the first Conclave after its receipt, and that the same be made a matter of record.

Boston Commandery K T

To the Officers and Members of Boston Commandery K T

Your Finance Committee submits herewith their Annual Report.

We have examined the books of the Recorder and Treasurer and Trustees and find them correct with proper vouchers for all disbursements.

Recorder

The Recorder's report which you have heard read states that we have Knighted 73 and had affiliates 1 which added to the members September 1924 1435 making a total of 1509.

Owing to the great number of deaths viz 43 and 2 dimitted makes the present number of members 1464 a gain of 29

You must realize that as our Commandery has a large percentage of older members which accounts for the increase of death rate.

Treasurer

The Treasurer had on hand September 1924 \$2586.24

Received from all sources including the income of the Permanent Fund which amounted to 4363.73	26207.31
--	----------

Total	28793.55
-------	----------

Paid out per order of the Council as per vouchers	28550.68
Balance on hand	<u>242.87</u>
	28793.55

Our increase of expenditures has been caused by extra expenses viz

The Children's Party which was attended by many of the families of the Sir Knights was enjoyed for the first time for some years which incurred an expense of about \$500.00.

The Worcester celebration attendance which was ordered by the Grand Commandery was an event participated in by 300 Sir Knights and our Boston Commandery Band.

Boston Commandery was the only Commandery to give the Sir Knights transportation and banquet at this celebration without any expense of any kind to the Sir Knights who attended which was one of the most enjoyable occasions ever given by our Commandery at the expense of about \$1300.00.

The assets of the Commandery at the present time are as follows:-

Permanent Fund	100624.44
Charity Fund	13338.23
Samuel C Lawrence Charity Fund	6006.25
Commanders Fund	582.98

GENERAL ORDER No. 1. Series 1925-1926.

OFFICE OF THE R. E. GRAND COMMANDER,
PROVIDENCE, R. I., November 4, 1925.

To all Knights Templars within the Jurisdiction of this Grand Commandery:

INSTRUCTIONS

1. Grand Officers attending the various functions, official or social, of the Grand Commandery, or subordinate Commanderies, shall appear in full Templar regalia unless otherwise ordered by the Grand Commander, and should on all possible occasions be accompanied by their Deputy Grand Warder.
2. The inspection suite should consist of the following: Officers of the Grand Commandery of Knights Templars of Massachusetts and Rhode Island, Past Grand Commanders, Commanders of Commanderies in this Jurisdiction, Generalissimos, Captain Generals, Past Commanders and Officers of other Grand Jurisdictions who may be in attendance and in regalia. *All Officers shall be in full Templar uniform.*
3. All Grand Commandery Officers, Past Grand Commanders, also Past Commanders, are entitled, and are hereby cordially and courteously invited, to attend any and all inspections.
4. Division Commanders shall have general supervision over all Commanderies in their charge, and shall report conditions at frequent intervals to the Grand Commander.
5. Commanders and other elective Officers of every Commandery are hereby reminded that it is an important and essential part of their official duty to thoroughly acquaint themselves with the Constitution, Statutes, and Rituals of the Grand Encampment, the Constitution, Laws, and Regulations of this Grand Jurisdiction, and the By-Laws of their own Commandery. Inspecting Officers will report any and every violation of Templar Law observed by them.
6. Commanders are requested to refer all requests of a minor nature requiring decisions to their Division Commander; he in turn, if necessary, will take the same up with the Grand Commander. A Division Commander should be able to judge of the necessities and requirements, particularly where they do not conflict with the Constitution and General Regulations; but the Division Commander shall make no original or first decision on any point.
7. In perfecting the Ritualistic and Tactical work of the Commandery, General Officers will follow the instructions of the Inspector Instructor or his Deputy.
8. Candidates shall possess full regalia, including coat, *before being* Knighted. No more than ten candidates shall have the Order of the Temple conferred on them at any one Conclave. Every candidate is entitled to the full form work. In special circumstances the Grand Commander may grant an emergency dispensation.
9. It is the desire of the Grand Commander and the Inspector Instructor that all Commanderies be opened in full form. The Inspecting Officer will, in a report to the Grand Commander at the end of the year, make note of the number of times each Commandery has complied with this request.
10. Commanderies must send to the Grand Commander, Deputy Grand Commander, Grand Generalissimo, Grand Captain General, Inspector Instructor, Deputy Inspector Instructor and Grand Recorder notices of all their Conclaves, also to each Division Commander the notices of Commanderies in their Division.
11. Commanders are directed to cause to be sent to this office immediate information of the death of any Past Commander or Officer of their respective Commanderies, together with such a sketch of his Masonic History as can be obtained.
12. Every Tactical Formation for every parade occasion must be in strict accordance with the official Tactics and formations of *this* Grand Commandery and under the direct instruction of the Inspector Instructor or the Deputy Inspector Instructor unless otherwise ordered by the Grand Commander.

13. In accordance with the recommendation adopted at the Annual Conclave of this Grand Commandery, it is provided that each Commandery may have ten copies of the Combined Ritual and Tactics, which has just been issued by the Committee. They may be procured from R.: E.: Sir Frederick I. Dana, Inspector Instructor, Masonic Temple, Providence, R. I. The price is two dollars per copy, or twenty dollars for ten, plus two dollars for postage, making a total of twenty-two dollars. In ordering by the Commander, a check should be sent with the order made payable to the Grand Commandery Knights Templars of Massachusetts and Rhode Island. These copies will be sent to the Commander by registered mail, and return receipt is required. All copies are numbered and returns will be made yearly by all Inspecting Officers of their preservation and condition. In case of loss or destruction, immediate report must be made to the Inspector Instructor and Grand Commander. A fine of twenty-five dollars each will be assessed against any Commandery for the loss or destruction of any of these copies.

14. Every Commander shall require the Recorder to keep duplicate copies of the records of the Commandery. He shall see that all correspondence is answered promptly. Requests for dispensations must be made and signed by the Commander, attested by the Recorder, and shall bear the seal of the Commandery. Returns of all dispensations must be made immediately on the form attached bearing the seal of the Recorder. Each Division Commander will see that this order is complied with.

15. All notices of Conclaves and meetings must be sent in sealed envelopes. A return post card may be used, but shall have no announcement whatever.

16. In receiving invitations to Commandery affairs, the Grand Commander will not accept unless the Grand Warder is invited. The Grand Warder is the personal aide to the Grand Commander and must be recognized as such. This should also apply to the Division Commanders and their Deputy Grand Warders.

17. Commanders shall see that a suitable visitor's book is placed in the anteroom. All visitors to a Commandery must be required to register in proper form. When a visitor is not a Sir Knight of this Jurisdiction a letter from the Recorder must be sent to the Recorder of the Commandery of which he is a Sir Knight informing the Commandery that this Frater was present at the Conclave which he visited.

18. It is requested that each Commandery procure a light-weight parade banner to be used on all occasions outside of the Asylum.

19. A Special Conclave of this Grand Commandery will be held in Springfield, June 24, 1926, for the purpose of celebrating the One Hundredth Anniversary of Springfield Commandery, No. 6. All subordinate Commanderies are hereby invited to attend in full formation. Details will be furnished later. This date should be reserved and a committee appointed at once to arrange for this Conclave.

20. The reports show a very small attendance at regular Conclaves of the Commanderies. All Commanders shall make every effort to increase the attendance during the year. The Ritual and Tactics must be observed, but our social features should ever be in the mind of every Commander.

Our Order is founded on Christian Knighthood. Christianity is brotherhood, good will and kindness toward all. Let us observe this feature at every meeting.

21. This General Order shall be read in full at the Conclave next following its receipt.

Witness my hand and seal of the Grand Commandery of Knights Templars and the Appendant Orders of Massachusetts and Rhode Island, this fourth day of November, A.D. 1925, A.O. 807.

Grand Commander.

Ascension Day Services

A Commandery of Knights Templars was opened without Form at 2 o'clock P. M. May 16th, 1926, with a full line of officers.

Services at Trinity Church

The lines were formed and 140 Sir Knights with full regalia marched to the Trinity Church, Copley Square, where the ladies had congregated, seats having been reserved for them.

A very interesting sermon was delivered by the Rev. Henry K Sherrill after which Sir Knights and their ladies proceeded to the Copley Plaza Hotel where refreshments were served, and an hour of sociability was enjoyed.

The condition of the weather at the time of departure from the hotel being very unpleasant the Commander ordered busses and conveyed the Sir Knights back to the Armory.

The Sir Knights were unanimous in their expression of gratification for the services of the day.

The members were very much pleased to receive your Greetings, and they have never forgotten the pleasure you gave them when you made them an official visitation at the time that you were Grand Master of the

Sept. 20, 1926

Joseph W Work, Recorder,

My dear Sir Joseph:-

Your telegram was a pleasant greeting and your more than kind letter a welcome message.

I will never live long enough to forget the kindly reception given a Georgia cracker forty-three years ago, who applied at the door of the Boston Commandery with no credentials but his face. The many contacts since that time make pleasant pages in the book of memories.

With assurance of high regards to my esteemed fraters, believe me,

Courteously yours,

Joseph K Orr

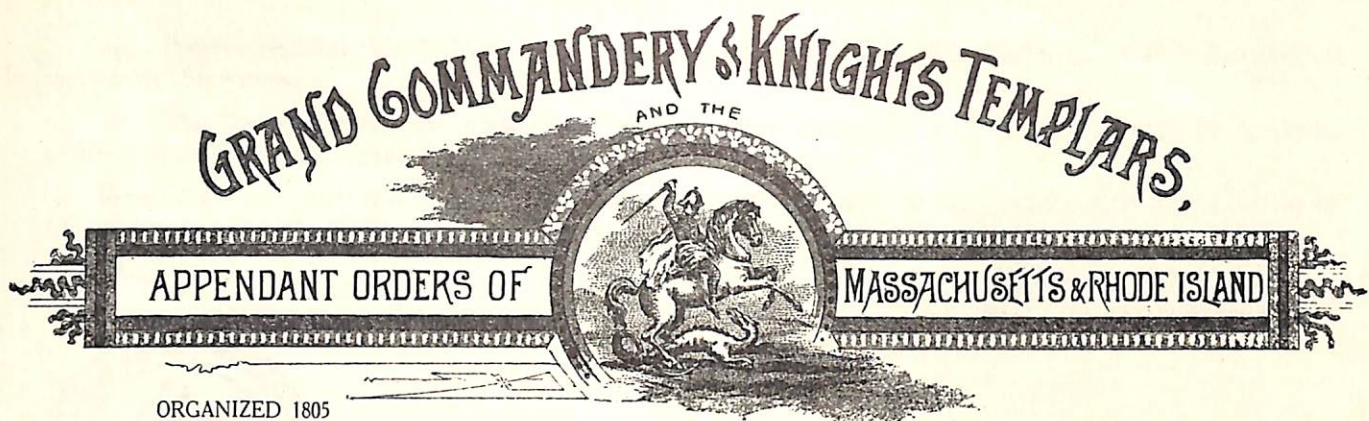

A letter was received from Mrs. Annie T. Montieth, sister of late Eminent Sir Walter Bradley Tripp donating his sword and belt and military coat to the Commandery.

The Recorder was directed to accept the same, thanking her for her thoughtfulness.

A note was received from Mrs. Henry S. Rickett of Dorchester, Mass., acknowledging flowers sent to Sir Knight Rickett who had been confined to his bed for some months.

In Memoriam

EUGENE ALEXANDER HOLTON

Born in Nashua, New Hampshire, January 13, 1847

Died in Boston, Massachusetts, March 21, 1927

Before the completion of his school days in his native town, he enlisted as a drummer boy in the 43d Regiment in the Civil War.

Soon after the close of the war he entered the employ of a Mr. Lake, in the photograph business. Later he continued in that business on his own account.

He early became interested in the collection of stamps and developed a lucrative business, and was widely regarded as an authority on philatelic matters. His valuable collection and business in this line was sold out some twenty years ago.

Recently he also retired from the photograph business.

He was raised in Joseph Warren Lodge A F and A M October, 22nd, 1872, and was its Worshipful Master in 1884 and 1885.

He was exalted in St Andrews Royal Arch Chapter March 13, 1873, and was its E. High Priest in 1888 and 1889.

He received the Super Excellent Degree in Boston Council Royal and Select Masters in 1873, and was Thrice Ill Master in 1878-1879.

He was Knighted in Boston Commandery of Knight Templars June 18th 1873, and was its Eminent Commander in 1890 and 1891.

He early became a member of all the four Scottish Rite Bodies, and was Thrice Potent Master of Boston Lodge of Perfection in 1887-1888 and 1889.

He was Commander-in-chief of Massachusetts Consistory in 1895-1896 and 1897.

He was Crowned a Sovereign Grand Inspector General of the 33d and last degree September 17th, 1895.

He was Anointed in the Massachusetts Order of High Priesthood December 11, 1888.

He was elected to membership in the Commander's Union Nov. 21, 1890.

In the Grand Bodies of the State he was Deputy Grand Master of the Grand Council of Royal and Select Masters in 1884, and the Grand

High Priest of the Grand Royal Arch Chapter of Massachusetts in 1913-1914 and 1915.

In the course of his more than fifty years of active Masonic life, he had also served these various bodies as well as several other fraternal Associations allied to the Masonic Order in a multitude of offices not enumerated here.

His sterling integrity and painstaking service naturally attracted to him many positions of trust, and as a Trustee or as Treasurer, he had devoted many years to various bodies, some of which he held at the time of his death.

A conspicuous leader and counselor, whose advise was always seriously regarded, a man who valued and appreciated his friendships beyond most men, a familiar figure in all his Masonic Bodies, rarely absent from a meeting, his interest and activity continued to the end.

Only a few days before he had attended the 125th Anniversary, Dinner and exercises of Boston Commandery keenly enjoying as was his custom the kindly greetings and fraternal associations of many of his old Companions there present.

They never quite leave us the friends who have passed
Through the shadow of death to the sunlight above
A thousand sweet memories are holding them fast
To the places they blest with their presence and love.

Fraternally submitted

Joseph T. Paul
